

ND BOARD OF CLINICAL LABORATORY PRACTICE
Exempt Test/Method Review Committee Work
September 12, 2016
Via Conference Call
Minutes

Call to Order: The committee called the meeting to order at 2:00 PM.

Present: Committee Members: Shelly Heilman, Sandra Matthey
Others: Nikki Owings

Absent: Sherry Melby and Ruth Paur

Request for Exemption of the Alere i Strep A:

The committee reviewed the request and determined it will recommend exemption of the methodology of waived PCR (polymerase chain reaction).

Request for Exemption of the Roche influenza A/B:

The committee reviewed the request and determined it would recommend exemption of the methodology of waived PCR (polymerase chain reaction).

The committee will recommend the Board also include the methodology of waived PCR (polymerase chain reaction) for RSV, as this request will most likely be made to the Board in the near future.

Adjourn: Meeting adjourned at 2:14 PM.
